

FRONTEO USA Password Reset

Reset Password

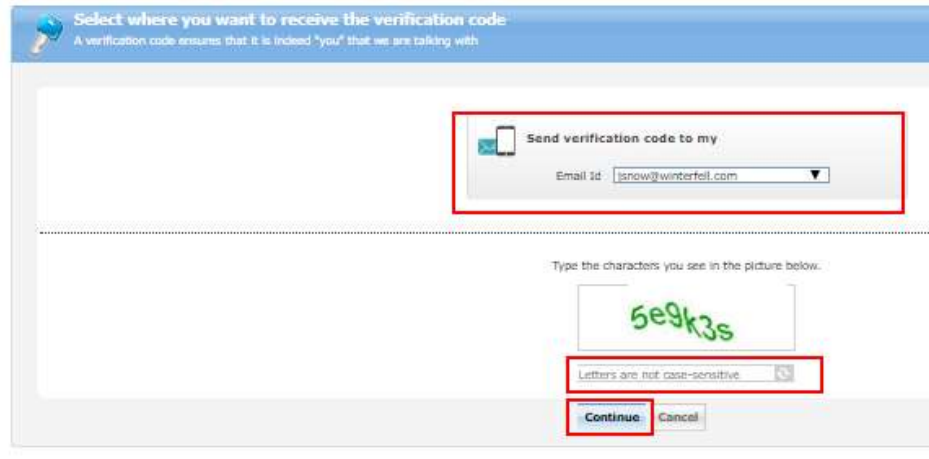

1. Using a web browser to go the FUSA self-service portal and select **Reset Password**
<https://SSfusa.fronteo.com>

2. Type your username and hit continue. Your username will be the first letter of your first name followed by your last name. E.g. Jon **S**now would be jsnow

3. On the next page select the email address that the password reset should go to, type the code into the box and select **Continue**

4. You will receive an email from noreply@fronteo.com. Check your junk folder if you do not see it. Click the link in the email and it will take you to a page to set a new password.
