About UBIC

UBIC, Inc. (Nasdaq:UBIC) (TSE:2158) is a leading provider of E-Discovery and digital forensic services for Asia and the world. UBIC has extensive experience working with electronically stored information composed in Chinese, Japanese and Korean (CJK) languages and utilizes that expertise for clients involved in cross-border litigation, corporate investigations, intellectual property disputes and much more. At the forefront of E-Discovery innovation, UBIC's proprietary Lit i View[®] platform is moving the industry from "fact discovery" to "future discovery" by allowing clients to analyze e-mail messages and digital communications found in big data to reveal patterns in human thought and behavior.
