## UBIC to Showcase TRUST Business Intelligence Portal at Legaltech West Coast

### Portal Site Analyzes Data from Relativity and Financial Sources to Provide Insight on Project Status and Legal Spend

SAN FRANCISCO, June 09, 2016 (GLOBE NEWSWIRE) -- UBIC, Inc. (Nasdaq:UBIC) (TSE:2158), a leading provider of global eDiscovery support and big-data analysis services, announced today that the company will feature its Business Intelligence Solution for big data in eDiscovery at the [LegalTech West Coast conference](#) on June 13-14, 2016 in San Francisco.

UBIC's TRUST Business Intelligence Portal solution is a client portal powered by market-leading business intelligence (BI) technology. The TRUST portal summarizes volumes of data from the Relativity eDiscovery platform, the Relativity User Activity and Status function, and financial data repositories. It delivers clear visual analytics reflecting metrics on project status, user/service breakdown and legal spend to help users make more informed decisions, save time and money, and have better outcomes. The TRUST site also allows legal and litigation managers as well as counsel to locate key information from individual cases and to assess trends across their entire portfolio of matters.

#### Sample Dashboards Include:

- | Relativity Database Stats (Hosting Storage, Last Access Database Information)
- | Relativity User Stats (Users Provisioned, User Activity and Last Usage)
- | Project Management Dashboard (Ticket Status and Trends from UBIC's ERP PM Tool)
- | Finance Dashboard (Spend information from Finance and Accounting Systems)

"Big data is a double-edged sword for most companies, in that it offers business opportunities but risk as well," said **Shamir Colloff, CTO** at UBIC. "The UBIC approach leverages business intelligence to manage vast stores of structured and unstructured data. This allows organizations to gain insight into business trends, make responsible data-driven decisions, and reduce cost and risk in eDiscovery projects."

Attendees at LegalTech West Coast are invited to visit **BOOTH #316** to speak with UBIC eDiscovery experts and view a demonstration of the TRUST portal, as well as to learn more about UBIC solutions.

#### About UBIC

UBIC, Inc. is a publicly traded global technology and services company specializing in Big Data, Artificial Intelligence, Information Governance, Managed Review, and Litigation Consulting for the eDiscovery market. UBIC serves AM Law 250 law firms, Fortune 500 companies, and government agencies across all phases of the e-Discovery process including collections, processing, forensic investigation, hosted review, and production. UBIC provides robust English language services along with advanced specialization in Chinese, Japanese and Korean (CJK) languages. Driven by UBIC's unique AI technology KIBIT™, Lit i View® enables companies to proactively and predictively assess fraud, data leakage and pre-crime events alongside the e-Discovery lifecycle and gain a deep understanding of their data. UBIC is also a Relativity Best in Service Orange partner. For more information visit [www.ubic-global.com](http://www.ubic-global.com) or [www.ubicna.com](http://www.ubicna.com).

#### Safe Harbor Statement

This announcement contains forward-looking statements. These forward-looking statements are made under the "safe harbor" provisions of the U.S. Private Securities Litigation Reform Act of 1995. These statements can be identified by terminology such as "will," "expects," "anticipates," "future," "intends," "plans," "believes," "estimates" and similar statements. Among other things, the amount of data that UBIC expects to manage this year and the potential uses for UBIC's new service in intellectual property-related litigation, contain forward-looking statements. UBIC may also make written or oral forward-looking statements in its reports filed with, or furnished to, the U.S. Securities and Exchange Commission, in its annual reports to shareholders, in press releases and other written materials and in oral statements made by its officers, directors or employees to third parties. Statements that are not historical facts, including statements about UBIC's beliefs and expectations, are forward-looking statements. Forward-looking statements involve inherent risks and uncertainties. A

number of factors could cause actual results to differ materially from those contained in any forward-looking statement, including but not limited to the following: UBIC's goals and strategies; UBIC's expansion plans; the expected growth of the data center services market; expectations regarding demand for, and market acceptance of, UBIC's services; UBIC's expectations regarding keeping and strengthening its relationships with customers; UBIC's plans to invest in research and development to enhance its solution and service offerings; and general economic and business conditions in the regions where UBIC provides solutions and services. Further information regarding these and other risks is included in UBIC's reports filed with, or furnished to the Securities and Exchange Commission. UBIC does not undertake any obligation to update any forward-looking statement, except as required under applicable law. All information provided in this press release and in the attachments is as of the date of this press release, and UBIC undertakes no duty to update such information, except as required under applicable law.
